

TAX INFORMATION (1098T)

As required by the provisions of The Tax Relief Act of 1997, Houston Community College has submitted an informational file with the IRS. We also have provided, thru Deerwin Solutions, all students for whom an informational return is filed, with a similar statement known as 1098T. It contains the same information that was provided to the IRS. It is not required that form 1098T be attached to your tax form.

What is covered by 1098T?

The 1098T covers students' payments for qualified tuition and related expenses made from January 1 to December 31 of each year.

Exceptions:

1. Cost of courses for which no academic credit is offered, even if the student is otherwise enrolled in a degree program;
2. Students whose qualified tuition and related expenses are entirely waived or paid entirely with scholarships or grants;
3. Students whose qualified tuition and related expenses are covered by a formal billing arrangement between HCCS and governmental entity or other 3rd party, and;
4. Non-resident alien students, unless requested by the student.

Who should students call for inquiries regarding 1098T?

Students should call and leave messages to Deerwin Solutions Group, Inc. at 713-433-5533 or 713-433-9233. Thereafter the student will be contacted and if the question is not resolved, the inquiry will be forwarded by Deerwin Solutions to the Bursar's Office, HCCS.
